TOWN OF CLARENDON

1984 Selectmen's Report

The Board of Selectmen meet at the Town Hall on the 2nd and 4th Mondays of each month. Meetings begin at 7:00 P.M. and all interested parties are encouraged to attend.

Our new bridge on the Cold River road is now completed and open to traffic. This project was financed mostly by State Funds.

During the past year we purchased two-way radios for the Town Highway Trucks and a Base Station. We hope to increase efficiency in Winter Maintenance thru improved communications.

We also have a new one-ton 4-wheel drive truck equipped with a plow and sander to try to get back roads open sooner.

A radar gun was purchased for the constables to help regulate excessive speed in several areas of town.

We are presently working on our new Transfer Station which we hope to have open sometime in February. This new trash compacting facility is being constructed on town property on Route 7B near the Airport.

Although the number of delinquent taxes had declined this year, the non-payment of property taxes is still the largest single factor affecting the financial condition of the town.

Ralph J. Austin, Chairman
Board of Selectmen

TOWN OF CLARENDON

Cemetery

Our cemeteries were mowed during the summer. We received \$2,500.00 from the Dr. Wm. Button Estate to be invested for maintenance of the Smith - Button Cemetery with another \$500.00 to be used for emergency repairs to the Wm. Button plot.

I would like to appeal to the holder of the Hayes passbook to turn it over to the town Treasurer. Each summer a Mr. Hayes berates our workers about his family plot and the money the family invested for use on the plot. Our present town officials have no knowledge of where it might be.

Expenses:	
Matthew Amstein	\$ 216.00

III SUPERINTENDENT'S REPORT

A. Enrollment: The elementary school enrollment for the present school year (1984-85) is 282 students, a decrease of seven students over last year. We are projecting another small decrease for the 1985-86 school year. These figures are indicative of a fairly stable enrollment at the elementary school. The number of Clarendon students attending Mill River continues to increase slightly.

B. Personnel: There are several new teachers in the Clarendon Elementary School this year. Ms. Dia Lind is our new Chapter 1 teacher, Ms. Claire Villars is the new R.S.S.U. art teacher. She works one day a week in Shrewsbury, two days a week in Wallingford and two days in Clarendon. Another new face is Mr. Paul Tracy, the new R.S.S.U. Curriculum Coordinator. He has responsibilities for coordinating curriculum in grades K to 8 and assists in supervising teachers in grades K to 6.

C. Curriculum: Curriculum projects in reading and writing instruction which began last year continue to be developed and evaluated. For the first time we have an art program which has been implemented in response to the new state standards. The new art teacher works in all elementary schools in the supervisory union and in addition to teaching is developing a K-6 coordinated art curriculum. Another new curriculum project is the child personal safety education program being implemented by the health instructor with assistance from the school nurse.

This past summer the supervisory union hired Mr. Paul Tracy as the new Curriculum Coordinator. He is working with the teachers and administrators in all of our schools on curriculum and supervision. The curriculum work includes a number of projects designed to improve coordination within the schools and between the elementary schools and Mill River. In supervision he is helping to implement a new program of teacher supervision designed

C. Curriculum (Continued)

to improve classroom instruction.

In August of 1984 the Vermont State Board of Education adopted new standards for approving public schools. These standards are being implemented through a two year voluntary period and will become mandatory with the 1986-87 school year. Below, I have listed the major areas which will impact upon the Clarendon Elementary School. Obviously there are a number of options available for fulfilling each requirement.

Guidance Services - Need a comprehensive program including counseling, consultation testing, etc.

Health Services - Need to increase the level of services in appraisal, supervision, counseling and first aid.

The Arts - Provide art instruction (newly implemented)

Administration - Emphasize curriculum coordination, supervision, and staff development. (being implemented)

D. School Facilities: This past summer we completed a number of maintenance projects including the painting of all exterior trim, doors, windows, etc. of the building. Also, the parking lot and a major portion of the driveway was resurfaced. Money to do these projects was taken from the building sinking fund. During the upcoming summer it will be necessary to do some interior painting and to replace some of the oldest carpet in the building. By doing maintenance projects on a regular basis we are able to keep the building in excellent shape and avoid major expenditures in the future.

E. Budget Analysis: The complete budget for the 1985-86 school year is contained in the enclosed financial statements. The proposed budget has total elementary school expenditures of \$678,105.00 including the \$5,000.00 for the building maintenance sinking fund. The major increases are:

Inst. Salaries & Benefits	\$24,585.00
New Art Teacher	9,500.00
Instr. Supplies & Equip.	2,300.00
Special Education	7,385.00
Curriculum & Supervision	10,200.00
Other	379.00
TOTAL	\$54,349.00

The above increases represent an 8.7% increase in elementary school expenditures.

F. School Taxes: The total tax increase for the 1985-86 school year is \$1,931.00 or less than one percent. The table below illustrates the total school taxes for 1985-86 as well as comparative figures for the past several years. The increase in the Mill River assessment is attributed to the increase in the number of Clarendon students attending Mill River.

	1983-84	1984-85	1985-86
Elementary Taxes	\$-92,458	\$-96,678	\$-104,313
Secondary Assessment	667,886	706,963	716,529
Total Taxes	\$575,428	\$610,285	\$ 612,216

G. State Aid: The 1985-86 proposed budget has estimated state aid based upon level funding by the legislature. If the legislature should appropriate additional money then it is possible that Clarendon would receive more funds in this area.

TOWN OF CLARENDON

Board of Listers

In the year of 1984 there were changes in the names of two Listers. John Holden was appointed to Clarence Connelly's post. Clarence sold his home in Chippenhook and has moved to another state.

Brian Godnick was appointed to Robert Neil's post as the Neil's have sold their home in North Clarendon village, and have moved out of State.

The 1984 Grand List was about 7% higher than the 1983 Grand List. Approximately 24% of the increase was from the new Power Line through the Town. The percent of increase in 1985 will be much smaller. All new and improved property will be inspected in 1985, beginning in March.

A new State Law, passed by the 1984 Legislature, requires all Mobile Home sales, to file a Property Transfer form, with the Town Clerk. This law became effective July 1, 1984.

If you have either purchased, transferred or sold a Mobile Home since July 1, 1984, call the Town Clerk for information of this new law.

Board of Listers,

Paul F. Shedd
John Holden
Brian Godnick

TOWN OF CLARENDON

Clarendon Volunteer Fire Department

In 1984 we find our active membership at 43 firemen and 6 firemen on the in-active list.

Our department has had good participation in a great many fire training seminars given by our own department, the Rutland County Firefighters Assoc. and the Vt. State Firefighters Assoc.. The Clarendon Fire Dept. has always stressed good training and it's members certainly have spent a great deal of their time and finances in order that a better job would be accomplished no matter how major the catastrophe might be.

This past year we switched two of our air-pacts to positive demand in order to meet VOSHA requirements, did over the electrical in our North Clarendon Station, finished our sheetrock and painted in North Clarendon and Chippenhook Stations, Also the entrance to the Chippenhook station was paved.

At the Annual Vt. State Firefighters Convention we won the Maxim Trophy, which is the No. 1 trophy given out in the State. We also won 1st award for Best Tanker In The State.

In 1984 we received forty calls and they are as follows:

House Fires	5	Smoke	3
Chimney Fires	12	(stoves, fireplaces, etc.)	
Vehicle Fires	6	Electrical Fires	1
Buildings	5	Rubbish	1
Grass Fires	4	Lighting	1
Mal-Function		Rescue	1
(Alarm System)	1		

Of these 40 calls 12 calls were in the A. M. hours and 28 calls were in the P. M. hours. Three calls were of suspicious origin and 2 calls we requested mutual aid from other towns.

Our fire trucks spent a total of 142 hours out on fire calls and the firemen spent 1,144 hours on fires.

In November 1984 I stepped down as Fire Chief after serving 20 years in this position, and the Chief's job was passed on to my Asst. Phil Pinkowski, Jr. who had served as Asst. Fire Chief for 17 years.

In closing I would like to thank the Firemen, Auxiliary, and Townspeople that supported me and the Department through our first 21 years and feel very confident that everyone's support will still be given in the future years of our Clarendon Fire Department.

Sincerely,

Al Ridlon

TOWN OF CLARENDON

Clarendon Fire Association Auxiliary

The Fire Department Auxiliary had a successful 1984 with 25 paid members. The Treasurer reported a balance of \$3,789.12 at our December meeting.

Our money is earned through the many projects we have throughout the year. Most of the money goes directly to the support of the Fire Department. Projects held in 1984 were: a Tasting Supper for the public, Luncheon for Fire School participants, a Spaghetti Supper for the public, refreshments for a local auction, refreshments and rummage sale at the Firemen's Auction, a Ham Supper for the members of the Rutland County Homemakers, a combined Flea Market-Craft, Bazaar-Food Sale, our annual Booster Club and weekly refreshments at Bingo.

We were very proud to bring home four trophies from the Annual State Firefighters & Auxiliary Convention held in Barre this year. We took two second place and one third place in the Fire Games, being the only auxiliary to place in all three events. We also took the trophy for Most in Line of March for the parade.

Officers for 1985 are:

President, Joan Austin
Vice President, Joyce Pedone
Secretary, Beverly Brown
Treasurer, Jean Murray

We wish to express our sincere gratitude to the many townspeople who support our efforts throughout the year. We also invite anyone who may have an interest, to attend our meetings held on the second Monday of each month at the North Clarendon Station.

Respectfully submitted,

Joyce Pedone, Vice President

TOWN OF CLARENDON

Fire Warden's Report

In 1984 there were a total of seven calls which were primarily answered by myself and the Clarendon Fire Dept. Of these calls all were contained with minimum damage.

I issued a total of 126 fire permits and refused 12 permits because of weather conditions. Permits that were refused were normally allowed when weather conditions permitted.

I have tried to be very understanding with our townspeople and certainly appreciate the courtesy that has been given the office of Fire Warden by our citizens.

I look forward to working with you in the coming year and please call if you are anticipating burning. If possible I would appreciate at least a 12 hour notice.

Thanks for your support in the past years and look forward to a forest fire free year in 1985.

Sincerely,

Al Ridlon, Fire Warden

TOWN OF CLARENDON

Zoning Administrator

There were a total of 99 building applications received in 1984. Of these there were permits issued for the following:

New Homes	10	(2 of these replacing Mobile Homes which were removed)
Additions to Existing Homes	7	
Mobile Homes	12	(5 of these replacing existing Mobile Homes)
Airport Terminal Building	1	
Airport Hanger with Office	1	
Commercial Garage	1	
Residential Buildings converted to Commercial Use	5	
Commercial Warehouses	2	
Stone Quarry	1	
And several miscellaneous permits: decks, mobile home roofs, storage sheds and in-ground pools.		

The 2 commercial warehouses at the Stone Quarry were appealed and are presently Superior Court cases.

Zoning Administrator
Edna Ingalls

TOWN OF CLARENDON

Constable's Report

In 1984 the Town Constables traveled a total of 1386.5 miles on situations handled in the Town of Clarendon.

We have answered the following calls:

Notice of property trespass	1
Animals killed or loose	3
Dog Complaints	20
Vandalism of school property and B & E on other property	10
Routine patrol	3
Misc. calls from Vt. State Police	
Assisting at auto accidents and traffic control at fires	38
	<hr/> 75

Recently the Town has purchased a radar set to be used for the speeding problem throughout the Town. At the present time we are in a training period by a Certified Instructor of the Vermont Police Academy in Pittsford.

We have had a total of 35 hours of training again through the Rutland County Law Officers Association.

Respectfully submitted,

David J. Murray, Constable
Gilbert Baker, Second Constable

TOWN OF CLARENDON

Planning Commission

The present Planning Commission was appointed by the Selectmen in May of 1984. The original members were:

Mae Belle Byrne, Chairman
Peter W. Lind
Yvette M. R. Bourassa
Colette M. R. Knox
Sylvia Venne
Richard Bersaw, Jr.
Linda Spencer

Mae Belle resigned in October and Sylvia Venne assumed her responsibilities as chairman.

Along with the many other duties of the Commission, we have been working to develop a Town Plan. Our town is starting to feel pressure for growth and change. It is the intention of the Commission that the plan represent the best collective thinking of the town's residents. It must encourage orderly and harmonious growth throughout the town: growth that encourages conservation of Clarendon's natural resources and at the same time creates a balanced tax base.

The Planning Commission meetings are open meetings. They are held the first and third Mondays of every month, 7:30 P.M., at the Town Offices. We welcome the participation of the Town's residents.

Sylvia Venne, Chairman

TOWN OF CLARENDON

Health Officer's Report

Bob Harrison our able Health Officer for many years, resigned in September. Brownson Spencer was named as his replacement and Donald Bodette was named as Deputy Health Officer.

Numerous septic systems were inspected, water samples taken, suspected sources of pollution examined and the sewer construction by RIDC observed.

Townspeople are reminded that a permit (obtained from the Town Clerk) is required prior to any work on a septic system in town.

Respectfully,

Health Officer
Brownson Spencer

TOWN OF CLARENDON

Recreation Commission

The year 1984 marked a great deal of organized work and effort from the Recreation Commission in order to accomplish the goal in utilizing the parcel of land on the west side of Old Rte. 7-A. The Recreation Commission held two public hearings and elections for the purpose of establishing a Recreational Facility for the people of Clarendon. The vote was defeated, however, the commission is still pursuing this goal. A recreation facility will encourage community involvement to unify the community and provide a co-ordinated and complete Recreational Program to the Town of Clarendon. This facility has been designed by local engineer, Blair Enman.

As in past years, the Clarendon Elementary School is opened on Monday nights for Adult Co-Ed Basketball and Tuesday nights for Adult Co-Ed Volleyball. The participation has been excellent.

In conclusion, we wish to express our deep appreciation to the Selectmen and the people of Clarendon for their support.

Respectfully submitted,

Sue Schwaiger
Sam Coburn
Chris Green
Gary Cutitta
Mary Harlow
Kate Taylor

RUTLAND REGIONAL COMMISSION

Annual Report 1984

Last year the Rutland Regional Commission used this space to tell you how your contribution would be used during the year. This year we want to review how well we met those goals and again, let you know the programs that your assessment would support in the upcoming year.

PAST YEAR'S EFFORTS

The Regional Commission's agenda for the past year was to help your community deal with the dramatic changes we are all facing, expanding its local services program to provide the resources to answer your questions, find the information you wanted, and give you the training you requested.

NEXT YEAR'S PROGRAM

The Regional Commission's agenda for next year will continue to emphasize expanded local assistance to member communities and to identify and help resolve regional issues.

All of our activities are based on the philosophy that it's cheaper to do it together, that local governments can find new ways to do more with us.

Please join us in these efforts in 1985.

Respectfully submitted,

All the Commissioners and Staff
Rutland Regional Commission

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

ANNUAL REPORT 1984

To: The Board of Selectmen and Citizens of the Town of Clarendon

Home visiting and caring for people continues to be the primary concern of the Rutland Area Visiting Nurse Association. Our health programs provide many services that are needed in your community. We are doing our best to help support the patients, and families that wish to remain at home during illness and aging. The rising cost of health care and the strong desire to remain in familiar surroundings has promoted the use of all of our services.

The report of what services have been provided to your community is as follows:

Unduplicated patients - 57			
	Visits		
Skilled Nursing	364	Live-In	-0-
Home Health Aide	263	Clinic Services	12 Clinics
Physical Therapy	47	Prenatal Couples	18
Speech Therapy	-0-		
Occupational Therapy	-0-		
Homemaker	92		

Our agency continues to work closely with all health-related organizations to promote the highest quality of health care to your community.

The demands continue to grow because of the Federal and State regulations that have changed and are promoting home health care and more cost efficiency.

We will continue to do our best to meet your needs. If you, or your family, needs help, please call. The Rutland number is 775-0568 (24 hours - 7 days a week); Castleton is 468-5668, or Brandon - 247-3111 (Monday through Friday, 8 A.M. - 4:30 P.M.). We have staff on call for all areas seven days a week, twenty-four hours a day.

It has been a pleasure to serve you and we look forward to another busy and rewarding year.

Executive Director
Evelyn Doyle

VERMONT DEPARTMENT OF HEALTH

Annual Report to the Citizens of Clarendon

The mission of the Vermont Department of Health is the prevention of illness and the control or elimination of hazards dangerous to the health of the public. In working toward this goal, the Health Department has provided, or assured the provision of health services to communities across the state. Direct services are provided through 11 district field offices. During 1984, citizens of Clarendon received the following services from the district office in Rutland:

75 pregnant women, new mothers, and children received supplemental foods, health and nutrition services through the WIC program.

5 children and young adults received medical evaluation of individual health and dental status through the Early Periodic Screening, Diagnosis and Treatment program.

21 persons received assessment information and counselling through the Maternal and Child Health program and/or information and teaching of parenting roles through prenatal classes and home visiting services.

13 children received comprehensive health assessments, including preventive guidance, at Well Child Clinics.

Diagnosis and treatment services for orthopedic, hearing, cardiac, genetic, developmental disorders, and other handicapping conditions were provided to 15 children through the Handicapped Children's program and/or the Child Development Clinic in Burlington.

The Public Health Laboratory in Burlington assists in the prevention and control of illness by identifying chemicals and microorganisms in a variety of substances. During 1984, the following laboratory services were provided to residents of Clarendon:

62 blood tests to identify women needing immunization against German Measles (Rubella) to prevent birth defects,

50 other diagnostic blood tests,

160 tests of individual and municipal water systems to monitor drinking water quality.

The Dental Division provides services to local communities including installing and maintaining fluoridation equipment in selected community and school water systems, paying for dental treatment of eligible children, and providing dental health education in the schools.

Many services are also provided at the local level by your Town Health Officer, R. Bronson Spencer II. Please feel free to call him if you need any assistance. The Health Department provides technical assistance and support to local health officers.

Commissioner of Health

SOUTHWESTERN VERMONT AREA AGENCY ON AGING
and NUTRITION PROGRAM FOR THE ELDERLY

Annual Report

The Southwestern Vermont Area Agency on Aging gratefully acknowledges the contribution of \$450 for the year 1984.

This year we plan to serve over 2700 meals to senior citizens in Clarendon. This number includes delivery of five meals a week to the homebound elderly.

Other services include transportation for essential needs and preventive health clinics offered monthly at the mealsite. Advocate assistance was given to 45 older residents of Clarendon who needed help with forms, information about available programs or intervention with service providers when problems occurred. This agency provides funding for the Legal Service Attorney for the Elderly and employs a Long Term Care Ombudsman. The latter assists persons with information about nursing and community care homes and acts as an advocate for residents in these facilities when problems occur.

This agency is dependent on local contributions to match, in part, the Federal funds received. Your Town support assists us in meeting that requirement and enables us to continue serving the elderly in your community.

If you would like more information regarding our services, you may contact our agency at 775-0486. If you have any questions concerning the meals program you may contact Shirley St. John, the mealsite manager at 775-4756.

Respectfully submitted,

Douglas Hall
Nutrition Program Director

RUTLAND COUNTY RAPE CRISIS TEAM

Annual Report

Thank you so much for your generous contribution to the Rutland County Rape Crisis Team. Your efforts help us sustain our efforts to bring support and information to victims of rape around Rutland County.

We greatly appreciate it and so do the victims of rape.

Nancy Sugarman
for the
Rape Crisis Team

RETIRED SENIOR VOLUNTEER PROGRAM

Annual Report

The purpose of the Retired Senior Volunteer Program (RSVP) is to recruit and place people 60+ in meaningful volunteer work with local non-profit, community and human service organizations. Rutland County RSVP has over 325 volunteers, ranging in age from 60 to 92, who last year contributed over 58,500 hours to 75 non-profit, human service and community organizations in the county.

There are 9 RSVP volunteers who live in Clarendon. Last year these 9 volunteers contributed over 1,022 hours to organizations which are located in or serve the Town of Clarendon. RSVP and its volunteers have provided services to Eden Park and Beverly Manor Nursing Homes, Clarendon Meal site for the Elderly, RSVP Homeworker Project, United Way, Wallingford Well Child Clinic and Rutland Regional Medical Center.

RSVP maintains regular contact with all volunteers and organizations to insure that all parties are happy with their respective assignments. Organizations can request additional volunteers at any time.

We appreciate the support you gave to RSVP last year, and look forward to another year of service to your community.

Donna E. Jerry
Director

THE VERMONT CENTER FOR INDEPENDENT LIVING

Annual Report 1984

The Vermont Center for Independent Living is a private, non-profit organization which works to assist disabled Vermonters in increasing their independence. We work throughout the state with disabled individuals, their families and friends, other organizations and agencies, and the general public to reach this goal.

Some of VCIL'S programs may have worked directly with disabled people who live in your town. A resident may have met with a Peer Advocate Counselor or called our Information and Referral System to find out specific information or what other organization they should call for help with a particular problem, or maybe they are working with Vocational Rehabilitation and wanted our Client Assistance Project to help them work more effectively with their VR Counselor. Or maybe there is a disabled person in your community who is involved with a local disabled advocacy group who receives support from VCIL. There are many ways that a disabled person may receive direct assistance from the Vermont Center for Independent Living; these are but a few.

The existence of VCIL is important to disabled Vermonters. We offer a wide variety of services to disabled Vermonters, their friends and their families. The work we do not only helps create concrete changes in the lives of disabled Vermonters, but also on a more fundamental level changes the attitudes and awareness of both policy makers and the public at large. Through the support of VCIL, disabled people are afforded a host of resources to help them increase their strength, dignity and independence.

During the past year, VCIL has seen 1 person in your town through our Peer Advocacy Counseling Program, has responded to 0 Information and Referral requests for town residents, and sends "AccessAbility," our regular newsletter, to 7 individuals who reside in Clarendon.

REGIONAL AMBULANCE SERVICE

Annual Report 1984

The year has brought about many favorable changes for the Regional Ambulance Service. Nearly 1/3 more calls were answered than was originally estimated. This increased call volume has resulted in the purchase of a fourth ambulance and hiring of additional staff.

In its infancy the organization expected a certain number of changes to take place and provided room for growth in order to obtain the highest quality and most efficient Emergency Health Care possible.

Many of our problems can be contributed to a poor cash flow situation. This stems from the original fund raising efforts which fell somewhat short in providing adequate working capital. Having struggled through this very difficult period by keeping a tight rein on our expenditures we have managed to improve our cash flow.

In an effort to improve our recordkeeping and accountability the Board of Directors employed the accounting firm of Janssen Schmidt Associates. Their first responsibility was to set up a comprehensive accounting system in order that we could obtain good financial control.

Since a large part of our revenues come from a per-capita assessment of the eleven (11) participating towns, the Board of Directors has established a yearly auditing policy. As a result of that policy Janssen Schmidt were asked to audit FY 83-84, the outcome shows a loss of only \$204.00 which is quite acceptable in view of the \$308,000.00 budget.

We have, at this writing, gained a relatively good financial position. However, there is one factor which is extremely important and will effect our future financial standing that is your support for the 1985 budget. The amount shown in the 1985 budget may appear large to some. But lest we forget that these items were neglected in the two previous budgets. We now must make up the difference.

I'm sure you would agree that proper vehicles and equipment are essential to a reliable service and should not be eliminated. In discussing these items it is well to know that all other budgeted items remain relatively the same compared to the previous year.

In closing we wish to thank the voters for their support and express additional thanks to the business community and the many individuals who have contributed so much in money and materials to the success of this, your ambulance service.

President, Board of Directors

David R. Melen

CLARENDON TOWN SCHOOL DISTRICT

WARNING

ANNUAL SCHOOL DISTRICT MEETING

The legal voters of the Town School District of Clarendon, Vermont are hereby notified and warned to meet at the Clarendon Elementary School at seven-thirty (7:30) o'clock in the evening on Monday, March 4, 1985, for the annual town school district meeting. The polls will be open on Tuesday, March 5, 1985, at the Clarendon Elementary School, from ten (10) o'clock in the morning until seven (7) o'clock in the evening for the purpose of voting by Australian Ballot. The business to be transacted will include:

- ARTICLE 1 - To elect a moderator for a term of one year.
(Australian Ballot)
- ARTICLE 2 - To elect one school director for a term of three years (Australian Ballot)
- ARTICLE 3 - To elect one director to the Mill River Union District 40 Board for a term of three years.
(Australian Ballot)
- ARTICLE 4 - To vote to authorize the School Directors to borrow money temporarily as may be required to pay orders. (Australian Ballot)
- ARTICLE 5 - To vote to approve a total budget of \$ 673,105.00 for the operation of the elementary school, which, combined with the Mill River Union School Assessment will result in the sum of \$ 607,216.00 to be raised by taxation for the support of schools. (Australian Ballot)
- ARTICLE 6 - To vote to appropriate the sum of \$ 5,000.00 to be raised by taxes and to be placed in a sinking fund for major building maintenance.
(Australian Ballot)
- ARTICLE 7 - To transact any other business proper to be done at said meeting.

SCHOOL DIRECTORS

Robert Stimson

Leland Congdon

Sherry Mayo
